

10th Annual Hope in the Dark

Supporting individuals living in homelessness through collaboration with the community and its support systems

Give Light to HOMELESSNESS

By joining us in an **OVERNIGHT AWARENESS** event that you can create a beautiful designer shelter out of a cardboard box. that's right, we are doing it again, **SLEEPING ROUGH** in the park, which will be a once in a lifetime event!

Hope in the Dark is to raise our community's awareness on homelessness within our community. As homeless, in turn, amplifies poor mental health, and the stress of experiencing homelessness may exacerbate previous mental illness and encourage anxiety, fear, depression, sleeplessness, and substance use. Together we can be the change while having some fun.

Join us by sponsoring, sleeping rough, and attending with your family, friends, and coworkers. You might choose to spend the night and create your own shelter, while enjoying the MOVIE in the park, BBQ, and music.

Purchase a luminary for \$5.00 at the event in memory of and/or for an individual who is struggling. Write a positive message to light their way. These luminaries will be lit for the candlelight vigil.

Donations/pledges to raise funds for Centre of Hope

Centre of Hopes' fundraising goal is \$150,000 for this fiscal year your participation will help us achieve this goal!
